Benir e-Store Solutions Pvt. Ltd., the most preferred Office Supplies Partner to Corporates and Manufacturing companies in India, is also the Indian partner of Lyreco SAS, a US\$2.2 billion global organization with operations in 41 countries worldwide. In line with evolving business needs, Benir has diversified into Personal Protective Equipment (PPE) and now offers high-quality, branded PPE solutions across all organizational sites in India. Founded in 2006 and headquartered in Bengaluru, Benir e-Store Solutions Pvt. Ltd. operates through wholly owned offices and large warehouses in nine strategic Indian cities: Bengaluru, Chennai, Hyderabad, Mumbai, Pune, Ahmedabad, Jamnagar, NCR, and Kolkata. Supported by a robust delivery fleet, and a strong local distribution network, Benir efficiently serves over 1,100 customers nationwide, ensuring fast, reliable order fulfillment, shipping, and delivery. Benir provides a digitally enabled B2B online platform (Punchout integration also available) designed to meet the procurement needs of organizations across industries and scales. Its extensive product portfolio includes Office stationery, Computer accessories, Housekeeping consumables, Design and Digital print solutions, Pantry supplies, Corporate gifts, work-from-home products, and other essential business merchandise. For Pan-India clients, Benir assigns a dedicated Key Single Point of Contact (SPOC), supported by regional SPOCs, to ensure prompt response and high service standards. Periodic business reviews are conducted to share insights on new product launches, analyze spend patterns, assess service expectations, and proactively address any challenges—ensuring long-term client satisfaction and partnership success.
